Some stores name their desserts as though they're made with yogurt, like the Gindy Yogurt Shoppe in Union Square, where a sign reads, "Yogurt in our Ice Cream!" The Port Chester Yogurt Shop in Bridgehampton has "Whole milk yogurt" listed on a menu alongside "Yogurt and Sorbet." But some confectioners say they're selling the yummy foods not to make them look different but to make sure customers see the word "yogurt." There's also a rift between manufacturers of old-school yogurt and makers of newfangled frozen desserts, according to The Washington Post.Garnett public forum on transit still on; and planned, says JRCC chair Share this: County council members debate transit after a Garnett public forum was held in their chambers Thursday night. I am struggling with the gradient computation in caffe (Pycaffe) and it seems that the default step-size is too high, since what I have found is that a step-size of 0.01 works better. Does anyone have any idea how to lower the default step-size in caffe? Thanks a lot in advance! A: This is the default that your Caffe version specifies. I personally haven't tried it but I would assume that if it worked for you then you just have to lower that value so that it becomes faster. I personally just use GPU machine for training and increase the number of iterations to 200 since most of the model training time is spent on GPU as compared to CPU. S. C. L. Gilroy Sir Kenneth Sinclair Lunt "KC" Gilroy, (22 September 1912 – 18 July 1982) was a diplomat, consultant, and journalist in Ghana, Malawi, and the United Kingdom. Biography Kenneth Gilroy was born in Wolcott Green, Buckinghamshire, the son of a barrister and novelist. He was educated at Eton College and Balliol College, Oxford, where he read Classics. He was a member of the Territorial Army and the R.A.F. He entered the British Diplomatic Service in 1936. He was posted to Ghana, where he remained for a decade before being sent to Malawi, where he would also serve for a decade. He returned to London as the British High Commissioner and then served in a variety of diplomatic posts at the Foreign and Commonwealth Office including, as Deputy High Commissioner, and as the British Ambassador to Greece. Gilroy was an active member of the Methodist Church. He had three sons and a daughter, and was survived by his widow, Patricia Gilroy. Publications Gilroy's first book, The Land of the Dragon Kings (1956), was a fictionalised story of his experiences in Malawi. One of his wives, Joan St John, was a fellow Board member of Balliol College, Oxford, where he taught Greek. Gilroy 6d1f23a050
